## Outstanding Engineering Achievement Program

Top regional projects judged by  
Presidents of regional chapters

December 5th at 6pm

The Outstanding Engineering Achievement Awards Program strives to recognize projects, regardless of engineering discipline, that demonstrate engineering challenges and innovative solutions, communicate the importance of the Engineering Profession to society, and provide a clear and tangible benefit to the Greater Philadelphia Area and Delaware Valley Region. PSPE Philadelphia as host and coordinator of this event invites applications from all engineering disciplines as it is our goal to recognize the importance of all engineering disciplines in the OEA Awards Program.

Click to view the Nominated projects which include:

1. Langan: [Swarthmore College Sharples Dining Hall](#)
2. Urban: [US1 Improvements Project](#)
3. PSE: [Perth Amboy High School](#)
4. Paleski: [Proxima Vision Tethered Drone](#)
5. Pennoni: [Calder Garden and Museum](#)

Presentations will be shared via Zoom on Thursday, December 5, 2024, followed by Q&A by our Panel of Judges (comprised of Presidents of our four SouthEast PA chapters and two Southern NJ chapters,) and by our Membership and other viewers. Judges will deliberate into the evening and results will be published on Friday morning on our Chapter website <http://pspe-philly.org/>.
