President's Message

Our 2025-26 Chapter year is off to a good start with our October Live+Zoom Meeting led by Abraham El on [MathCounts: Project to Program Management](#). For those who missed, view now [HERE](#).

At the State level, we are planning for PSPECON26 to be held in Philadelphia next September. Meeting. Please contact FRED 215-880-8899, or president@pspe-philly.org to join our Planning Committee.

As 2025-26 is not a Renewal Year, I suggest we consider some non-PDH meetings. But, as you see on the right, our dance card is already being filled with PA (and model state) PDH worthy offerings. Perhaps we can ADD some Life Balance, Practice Building, Networking and Other Events. There is no need to limit to only ONE event per month. Perhaps a joint meeting with your technical society or affiliated group such as Phila Flower Show.

Share ideas with me or Chris Fell, PE, fell1@aol.com 484-431-1499

- Plan to participate in an exciting year of programs and events.
