

The Philadelphia Engineer

Founding Chapter 1934 – October 2026 issue

Philadelphia Chapter Adds Social Media

PSPE-Philly is on:

Linked-In at <https://www.linkedin.com/groups/7019293/>

Facebook at [Facebook](#) click to view

Instagram at [Instagram](#) click to view

As a valued member of NSPE/PSPE, your insights and expertise are what drive our community forward. We are excited to announce that we are launching brand-new social media pages to better connect, support, and engage with professionals across our industry.

To make sure these channels truly serve you, we want to build them around your interests. We would love to know what type of content you would find most helpful, engaging, and exciting to see in your daily feed.

When you follow a professional community online, what makes you want to interact? We are specifically curious about:

- ▶ What you find helpful: Would you like to see industry news, career opportunities, technical tips, or legislative updates?
- ▶ What you want to interact with: Are you interested in participating in quick LinkedIn polls, monthly Q&A sessions, or live discussions?
- ▶ What excites you: Would you enjoy member spotlights, behind-the-scenes looks at society initiatives, or highlights from our recent events?

Please take a brief moment to reply directly to this newsletter with your thoughts, or let us know if there is a specific platform (such as LinkedIn, X, or Instagram) where you prefer to connect.

Thank you for your time and for helping us build a more vibrant digital community. Send your comments to webmaster@pspe-philly.org

CALL for Nominations Outstanding Engineering Achievement Program

Top regional projects judged by
Presidents of regional chapters

Deadline is November 15th

Presentation and Judging December 3rd

The Outstanding Engineering Achievement Awards Program strives to recognize projects, regardless of engineering discipline, that demonstrate engineering challenges and innovative solutions, communicate the importance of the Engineering Profession to society, and provide a clear and tangible benefit to the Greater Philadelphia Area and Delaware Valley Region. This year's program will follow this same principle, in that the Outstanding Award will be presented to one project that best meets these criteria as determined by our panel of judges, typically comprised of the presidents of the four chapters in the southeast region of Pennsylvania PSPE as well as the two chapters of Delaware Valley region of NJSPE.

[Announcement](#) [Guidelines](#) [ApplicationForm](#)

Nominations for 2026 due November 15, 2026

Upcoming Chapter Meeting

October 1st 6pm

Join fellow Chapter and SouthEast Region Members for a chat on

[How to Market Engineering Services in Era of AI](#)

Dan Caramanico will share his recommendations and field Q&A on the topic. Join us **[HERE on TEAMS](#)** for this program. NO FEE.

Note this program, being considered PRACTICE BUILDING, will not be accepted by PA for PDH credit, but may be by other States.

[PSPE-Philly provides education beyond that just for license renewal.](#)

FREE FE Practice Exam

Sponsored by PSPE Philadelphia

LAST CHANCE - Offer Expires OCT 1st

To new or older graduates seeking the PE:

You completed your engineering degree and now must pass the FE exam on your way to the PE exam. **But how to get experience with the FE exam?** Read below. FREE both to Members, Student Members, or any reading this newsletter.

To our Professional Engineer Members:

You are a Professional Engineer which means you passed the FE exam some years ago, BUT

Do You Have What It Takes to Again Pass the FE Exam?

FREE FE Practice Exam:

Your Philadelphia Chapter has obtained permission to share the NCEES practice exams for the FE.

Our code will entitle Viewer to ONE free download to ONE discipline of the FE practice exam. (\$50 value.) Our promotional code is **NSPEPhilly** but hurry because this offer **will expire October 1st** (or after 150 downloads,) so do this NOW as first-come-first-served and time-is-of-the-essence. **Philadelphia Chapter Members have rewards.**

Click [HERE](#) to download instructions to start YOUR account.

In addition to this FREE interactive practice exam, you are invited to purchase Questions and Solutions for PE and FE exams at <https://account.ncees.org/exam-prep/PE>. You will be provided with a PDF for lifetime access. With 23 specialties for the PE, and 14 interactive FE practice exams, you can test yourself and friends on whether you still **Have What It Takes to Again Pass the FE and PE.**
