

**Pennsylvania Society of Professional Engineers
Philadelphia Chapter
Course, Presentation and Networking**

Thursday, March 4, 2021

Virtual ZOOM Course: 7:00 PM to 8:00 PM

LARGE UPS OPERATION, DESIGN & CONFIGURATIONS

Presented by

Kameel Andrawos

Director, Power Systems
IT Business
Schneider Electric

The course will describe the functionality of Uninterruptible Power Supply (UPS) components including rectifier/charger, inverters static switches and maintenance bypass. It will also describe UPS configurations (single module, parallel for capacity and/or redundancy), battery technology and battery protection time.

Networking: 8:00 PM to 9:00 PM

The Pennsylvania Society of Professional Engineers, through PIE, will evaluate and approve this "courses" as meeting the continuing education license requirements for 1.0 Professional Development Hour in New York State. PSPE believes the "courses" will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval.

Prices using Paypal
