Legislation Impacting Engineers - A Round Table Discussion

Presented by:
John Wanner
Lobbyist of PSPE

Returning to the origins of our Society, this round table discussion will provide PSPE members an opportunity to provide ideas regarding the Pennsylvania Society of Professional Engineers and input to our State Legislators.

The activity may be accepted for 1.0 Professional Development Hour in PA, NJ and other National Model states where courses do not require pre-approval. It is not acceptable for New York for continuing education credit.

The PA Registration Board

Presented by:
Francis J. Stanton , PE
President of the Registration Board

The presentation will provide an overview of the Registration Board's responsibility and matters of law related to the Registration Board such as disciplinary actions, Act 6 and Act 41.

The Pennsylvania Society of Professional Engineers, through PIE, will evaluate and approve this "courses" as meeting the continuing education license requirements for 1.0 Professional Development Hour in New York State. PSPE believes the "courses" will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval.
