

Pennsylvania Society of Professional Engineers Philadelphia Chapter

Thursday, March 6, 2025

Registration / sign-in: 5:00 PM to 5:20 PM

Walking Tour: 5:30 PM to 7:00 PM (1.5PDH)

Mechanical & Electrical Renovations and Energy Saving Upgrades at the Pennsylvania Convention Center

Presented by
Stephen Shepper
Vice President of Engineering
Pennsylvania Convention Center

During the tour the attendees will visit two (2) Central Utility Plants that provide chilled water and hot water to the 2,000,000 Square Foot Convention Center and the Reading Terminal Market. Attendees will learn about and observe the Mechanical and Electrical Renovations and learn about the Energy Saving System and how the energy savings are realized and monitored.

The Pennsylvania Society of Professional Engineers, through PIE, has evaluated and approved this "activity" as meeting the continuing education license requirements for 1.5 Professional Development Hours in New York State. PSPE believes the "activity" will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval.

All attendees must arrive at the PA Convention Center Security, entrance on 13th Street just south of Race Street, by 5:20 PM.

Price using PayPal - \$5.00
