The Pennsylvania Society  
of Professional Engineers  
Philadelphia Chapter

Monthly Meetings, Tours and Courses

April 7th, 2022

5PM Log in with Zoom - 5:30-7:30 Enjoy the Lecture

## ETHICS for Engineers

Presented by Rebecca A. Bowman, Esq., P.E., D.F.E.

To renew your license in the State of New Jersey, you must obtain 2 PDH on the topic of Ethics by 30APR22. Ethics credits are also required for the State of New York and many other jurisdictions. This course is designed to meet all requirements.

This course will be accredited for 2.0 Professional Development Hour by the Pennsylvania Society of Professional Engineers through PIE to meet continuing education license requirements in New York State. PSPE believes that this course will be accepted for credit in PA, NJ and other National Model states where courses do not require pre-approval. Proper answer of challenge questions required to receive Certificate of Participation for those attending virtually on-line.

The ZOOM address for attending the course will be sent to the registered attendee at the email address you provide to Paypal. Certificates will be sent to the registered attendee after the attendee completes and returns the course evaluation form and properly answering participation questions. These are asked and answered by the presenter at various times during the course. The course slides will "not" include the participation questions.

Questions may be True/false or multiple choice.

**Reservations:**
